Health Kits

WMU will be working with First Baptist, Winchester to collect Migrant Kits to be given to the migrant workers. The workers will be arriving in our area around the end of August to the first of September. If your church would like to contribute to this worthwhile ministry please complete your bags with the following items:

Deodorant	Toothpaste & Toothbrush
Soap	Shampoo & hair brush
Bug repellent	Wash cloth & towel

Please use cloth bags to collect your items in. **Completed kits may be brought to First Baptist, Winchester or to the Associational office by August 20.** We are asking folks to please stick to the items listed and please use regular sized items. We are working through the migrant camps and they would like all workers to receive the same items. If you have any questions please contact Michele at the associational office.

Freedom Center Ministries in Lynch, Kentucky needs your help.

Lynch, Kentucky is a mining town that no longer has a mine. In recent years, the community has been hit by extreme unemployment and poverty, with many of the associated problems stemming from them. Freedom Center Ministries, run by missionaries George and Robin Lewis, serves the communities of Lynch and Cumberland Kentucky, with clothing, ministry to families and new mothers, coupled with care, compassion, and grace.

In preparation for the colder months, Charles Town Baptist Church will send a team to serve, and we will bring whatever clothing we can donate. The needs are for good, clean, and serviceable winter clothing for children and adults, men and women. Sweaters, coats, flannel shirts, jeans and corduroy pants.

The trip is scheduled for September 9, so we would like to have **all donations No later than September 1st**, to give us time to organize and pack. Financial support is welcome. You may bring your donations to the associational office or to Charles Town Baptist Church. So if you have gently used children or adult winter clothing please consider giving for this mission trip.
